PRODUCT END-OF-LIFE (EOL)

Avocent® Universal Management Gateway 6000

VERTIV™

OVERVIEW

- EOL Announcement: October 2017

- End-of-Sale: December 31st, 2017 or while supplies last

    - Last day for old product orders

    - Last day for extended warranty sales

- End of Life: December 31st, 2022 (or last day of extended warranty)

Effective December 31st, 2017, Vertiv™ will end distribution of the Avocent® Universal Management Gateway 6000 appliance.

After December 31st, 2017, the listed SKU will be at End-of-Sale (EOS) and it will no longer be available for purchase from Vertiv. All orders for this product should be transitioned to the Avocent Universal Management Gateway 4000 model.

Vertiv offers a broad portfolio of solutions to address the remote access, control and IT management requirements of any business. The portfolio includes:

- **AutoView™ KVM** switches which are designed for small data center and remote/branch office environments.

- **MergePoint™ Unity KVM** switches are enterprise class KVM switches that provide a complete solution for remote access and management of KVM, USB and serial connections.

- **Universal Management Gateway** continues to be Vertiv's most versatile and feature-rich appliance. It is designed to meet the needs of enterprise data centers, cloud providers and edge implementations.

For more information on the Vertiv's portfolio of IT management solutions, visit the IT management page on **www.VertivCo.com**.
